

Merger Update

A message from Wings

This year has been an exciting one for Wings. In January, we officially merged with Ent Credit Union. While your day-to-day member experience will remain the same for quite some time, this partnership has already expanded our ability to serve you in new and meaningful ways.

Earlier this year, we announced that Wings is the Official Credit Union and a Mortgage Partner of the Minnesota Timberwolves and Lynx. It was an outstanding season for the Timberwolves, finishing 3rd in the Northwest Division of the Western Conference, and we were honored to donate \$16,545 to Every Meal through our Hoops for Hunger program.

The Women's National Basketball Association (WNBA) regular season began earlier this month, and we're excited to cheer the Minnesota Lynx on all season long. Along with continuing to donate through our Hoops for Hunger program, we've introduced an exclusive new Lynx debit card so you can show your team pride. It's only available at Wings, so stop by your nearest service center or call us to get yours today!

As we approach summer, even more exciting things are ahead for your credit union. You'll soon begin to see a refreshed Wings logo and color palette everywhere you bank with us—in our service centers, on our website and within digital banking. While our look will evolve, the way you bank with us will remain largely the same.

The first half of the year is off to a strong start, and we look forward to continuing to enhance your member experience every day. Thank you for being a valued member!

Wings Credit Union World of Birds Show

The Wings Credit Union World of Birds Show at the Minnesota Zoo kicked off for the summer season on May 23. The show showcases a diverse range of birds from around the world. Wings is proud to sponsor the show and support the Minnesota Zoo in their conservation efforts around the world.

Scholarships

The Wings Credit Union Foundation has awarded scholarships to 11 Wings members for the 2026-2027 school year! We received many outstanding applications and sincerely appreciate the time, effort, and dedication each applicant invested into the process.

Beginning in 2026, we increased the total scholarship amount by \$20,000 dedicated in memory of Trysh & Pete Olson. Both contributed for decades to Wings as team members, and we tragically lost them last year. This scholarship will honor their legacy and commitment for serving others for generations to come.
