

Merger Update

New look, same commitment to you

As we continue systems integrations following our merger with Ent Credit Union, you'll begin to see our refreshed Wings logo, branding and colors appear across more of your banking experiences.

Starting in July, the updated look will roll out on our website, digital banking, statements, digital screens in service centers, and other places. These updates will continue over the next several months, with new signage gradually being introduced both inside and outside our service centers.

While our look is gradually changing, how you bank with us remains the same. Your accounts remain just as they are. You can still use and reorder your checks. Likewise, your current debit and credit cards remain valid and we'll automatically send replacements when they're close to expiring. If something changes in the future, we'll share that well in advance and guide you along the way.

Although things will start to look a little different, what matters most is staying the same. You'll continue to see the same friendly faces at your local service centers and access your money the same way you do today through digital banking. Our commitment to our members and our communities remains as strong as ever.

Building skills for life and the court

On June 6, Wings teamed up with the Minnesota Lynx and the Forward Thinking Foundation to host a joint financial education and basketball camp for middle and high school students. Students were empowered to sharpen their shooting skills while learning more about budgeting, credit and more!

Show your team pride with the Lynx debit card

The Lynx aren't just a team you follow. It's about the players, the Lynx community and inspiring moments. Show off your loyalty with Wings' Lynx debit card. It's only available at Wings, so request your exclusive Lynx debit card at a nearby service center or call (800) 692-2274.

Minnesota Lynx and all associated logos, trademarks or team identification are registered trademarks and the exclusive property of WNBA Enterprises, LLC and Minnesota Timberwolves Basketball Limited Partnership and are used herein with their express permission. All Rights Reserved.

Celebrating community and connection at the Freedom Day Festival

On June 20, Wings participated in the Freedom Day Festival, an annual Juneteenth celebration in Vadnais Heights that brings the community together through entertainment, education, and cultural appreciation. The event featured live music, cultural performances, local vendors, and family-friendly activities, creating a meaningful celebration centered on freedom, unity, and community.

As a community resource partner, Wings hosted an information table to share products and services with attendees and connect with members and neighbors. We also engaged guests through a Minnesota Lynx ticket sweepstakes, offering a fun way for attendees to interact with Wings while entering for a chance to win.

Upcoming document shred events

Protect yourself from identity theft and fraud by shredding sensitive documents at Wings. Each member is allowed two grocery-size bags of paper to be securely shredded for free. Proof of membership is required (such as a Wings credit or debit card).

Mark your calendar for the upcoming Shred & Share events at the following service centers:

Woodbury:

Saturday, July 11
9 a.m. to Noon (CT)

Apple Valley:

Saturday, September 12
9 a.m. to Noon (CT)
