

Merger Update

Recognized for what matters most

Our look may be changing, but what makes Wings the credit union you love is not. As our refreshed logo, colors and branding continue to appear across digital banking, statements, service center screens and other member experiences, our focus remains exactly where it has always been: on serving our members, supporting our communities and helping you bank with confidence in a way that works for you.

That commitment continues to be recognized across Minnesota. In 2026, Wings was named a **Minnesota Top Workplace for the 14th consecutive year**, an honor based entirely on employee feedback. Wings also earned the **Best Credit Union** recognition from **Twin Cities Business** and was voted one of **Minnesota's Best Financial Institutions**, receiving **Gold in Southern Minnesota, Silver in Northern Minnesota and Bronze in Central Minnesota** through a community-driven readers' choice program.

GOLD

Financial Institution, Southern Minnesota

SILVER

Financial Institution, Northern Minnesota

BRONZE

Financial Institution, Central Minnesota

These awards reflect the people and values behind the Wings name: an outstanding team, a member-first approach and a shared commitment to helping individuals, families and communities thrive.

We're grateful to our members and employees for the trust and heart you bring to Wings every day. Together, you make this recognition something truly worth celebrating.

All about members — all August long.

We appreciate our members every day. But for the entire month of August, we're celebrating you with exclusive offers and giveaways. Whether you're in the market for a mortgage, HELOC, auto-refi or certificate —or you're working on making progress towards a financial goal —don't miss out!

Stay tuned for additional information coming in August on our website, in service centers, to your email, social media and more.

Wings Credit Union World of Birds Show

The **Wings Credit Union World of Birds Show** has taken flight for the summer season at the Minnesota Zoo! Featuring incredible birds from around the world, the show offers a fun way to experience wildlife up close. Wings is proud to sponsor the show and support the Minnesota Zoo in its conservation efforts around the world.

Teaming Up to Fight Hunger

Wings is proud to partner with the Minnesota Lynx to help make a positive impact in our community. For every three-point basket made at Lynx games, Wings donates \$20 to **The Food Group**, supporting its mission to fight hunger.

Thanks to the Lynx's shooting skills, **Wings has donated \$4,220 through July 15**. We're excited to keep cheering on the Lynx and supporting a cause that helps strengthen our community.

Swipe, Swoosh, Win

If you have a Minnesota Lynx debit card, every purchase can bring a little extra excitement to your season. With **Swipe to Swoosh**, members can earn entries for a chance to win exclusive prizes and tickets to upcoming Minnesota Lynx home games just by using their card.

How it works

Earn one entry for every 15 swipes with a Minnesota Lynx debit card. Entries are collected over each calendar month, and drawings happen monthly throughout the regular season.

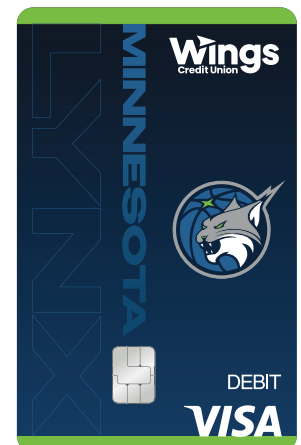

It's a simple way to make everyday spending count while cheering on the Lynx.
